## Nativegrasses and Groundcovers Planting and Establishment Demonstration

Tuesday, July 19, 2016
7:00 am to 9 am
Camelback Golf Club
8541 North Golf Drive
(park along street or maintenance facility driveway)
Paradise Valley, AZ

View the performance of a newly introduced groundcover, Kurapia (*Lippia nodiflora*) and several nativegrasses:

- Alkali sacaton
- Alkali muhly
- Blue grama
- Buffalograss
- Sand- and spike dropseed
- Galleta
- Plains lovegrass
- > Teff

Plant materials performance is being evaluated for sites when and where turfgrasses are removed for water conservation, reduced mowing, etc. No cost event. Stop by and view the experimental plots at your convenience.

Issued in furtherance of Cooperative Extension work, acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture, Jeffrey C. Silvertooth, Director, Cooperative Extension, College of Agriculture & Life Sciences, The University of Arizona. The University of Arizona is an equal opportunity, affirmative action institution. The University does not discriminate on the basis of race, color, religion, sex, national origin, age, disability, veteran status, or sexual orientation in its programs and activities. Persons with a disability may request a reasonable accommodation, such as a sign language interpreter, by contacting Kai Umeda, 602-827-8214. Requests should be made as early as possible to allow time to arrange the accommodation.
