Turfgrass Management Class

Monday, October 19, 2020
1:00 pm to 4:00 pm
A virtual online offering for Master Gardeners is available for professional turf managers on golf courses and sports turf facilities, schoolyards, city parks, and commercial landscapers

Topics to be presented include:

- Characteristics of desert adapted grasses
- Managing year around turf - overseeding and transition
- Basic maintenance operations - mowing, aerifying, dethatching, irrigation
- Insect pest management
- Weed management

Speaker:

Kai Umeda
Extension Agent
University of Arizona Cooperative Extension
Maricopa County

Online registration with a credit card can be completed using the Eventbrite website. https://www.eventbrite.com/e/turfgrass-management-class-tickets-121635923321

After registration, a ZOOM link will be provided to view the presentation.
There is a $45.00 registration fee + transaction fees and proceeds support UArizona Cooperative Extension Turfgrass Program
